Permits:

A permit must be obtained prior to fishing for any stage of the American eel with any type of gear in all waters of the State. Permit conditions apply to both fresh and marine waters within those areas, which have been designated as open to eel fishing. Permits will be issued to individual fisherman by gear type and river system.

Commercial eel taking permits; conditions; penalty:

Permits granted under this section may be limited in number and may be conditioned so as to designate seasons, size limits, take or catch limits, hours, areas, fishing methods, type and amount of equipment, and catch reporting requirements. **[Section 50-5-1555 (B)]**

The Department may define an approved fyke net for the taking of eels in the waters of this State and may permit and limit its use by means of permits granted under this section. **[Section 50-5-1555 (C)]**

A commercial fisherman who sells shad, herring, or eels must sell to either a licensed wholesale seafood dealer or a licensed bait dealer or must be licensed as a wholesale seafood dealer or bait dealer. **[Section 50-5-1556]**

A person taking shad, herring, or eels for commercial purposes:

- (1) in the salt waters of this State, must obtain a commercial saltwater fishing license and a commercial saltwater equipment license and related permits;
- (2) in the freshwaters of this State, must obtain a commercial freshwater license and a commercial saltwater equipment license and related permits. **[Section 50-9-420]**

A person taking shad, herring, or eels for recreation:

- (1) in the saltwaters of this State must have a recreational saltwater fishing license; if using a gill net or eel pot, must have an annual recreational saltwater license and a saltwater commercial equipment license and related permits;
- (2) in the freshwaters of this State must have a recreational freshwater fishing license; if using a gill net or eel pot, must have an annual recreational freshwater fishing license and a saltwater commercial equipment license and related permits. **[Section 50-9-545]**

It is unlawful for a recreational fisherman to take more than fifty eels per day. Each eel must be at least six inches in length. **[Section 50-13-645]**

All permits must be obtained through the Permitting Office at the Office of Fisheries Management at 217 Fort Johnson Road, Charleston, SC 29412.

Eel Harvest Reporting

- 1) All commercial and recreational fishermen harvesting eel must submit trip report forms to the Marine Resources Division's Fisheries Statistics Program, P.O. Box 12559, Charleston, SC 29422-2559 on a MONTHLY basis for all trips taken during the month.
- 2) Reports must be received by the 10th of the following month regardless of whether or not fish were caught. If you DID NOT FISH during a month, a single form must be submitted indicating you DID NOT FISH FOR MONTH (month). **If reports are not received by the 10th, you will forfeit your right to participate in the fishery.**
- 3) Reports should be complete and accurate. This data will be utilized by the Department to manage the eel fishery, therefore your cooperation is not only required, but greatly appreciated.
- 4) Eel harvest report forms can be mailed to license holders. Contact Angel Brown at 843-953-9311 or **brownac@dnr.sc.gov** for report forms.

Information for the 2012-2013 Eel Fishery

Just a reminder, if you plan to catch eels and **sell** your catch you **MUST**:

- Buy a commercial license.
- Buy equipment license (fyke net, pots/traps, or dip net)
- Be a licensed SC wholesale Seafood Dealer/ SC Bait Dealer OR sell only to a licensed SC Wholesale Seafood Dealer/ SC Bait Dealer
- Obtain a PERMIT for your gear
- **Complete** and return **Mandatory Eel Harvest Report Forms** to SCDNR.

Just a reminder, if you are a *recreational* fisherman you **MUST**:

- Buy a recreational fishing license
 - Buy equipment licenses (eel pot/ trap tags)
 - Obtain a PERMIT for your gear
 - **Complete** and return **Mandatory Eel Harvest Report Forms** to SCDNR.
- * *Recreational fishermen are prohibited from selling their catch* ***

Any person violating the provisions of this section is guilty of a misdemeanor and, upon conviction, **MUST** be fined \$155-\$1,088 or imprisonment for 30 days. In addition, any catch, load, or shipment of seafood in the possession of those violators may be seized and sold, with the proceeds held pending the disposition of the case.

Please fill out all blanks on Mandatory Eel Harvest Forms and return them by the 10th of the following month. Reports must be returned by the 10th of the month even if you did not fish. It is important for the management of the species to know:

- **What river you are fishing**
- **What type of gear you are using (fyke net, pots, or dip net)**
- **How long your gear is in the water (How long you fish per trip)**
- **Number or pounds of Eel caught**

If you have any questions or concerns, feel free to contact SCDNR personnel.
